

In re Application of John R. Frus
Application No.: 10/087,154

REMARKS

This amendment corrects an error in the title. Applicant is preparing a supplemental amendment that adds additional claims to the single claim in this application, which has been allowed. If the examiner happens to pick up this application for further examination before the supplemental amendment is entered into the file, applicant requests that the examiner contact the undersigned so that entry of the amendment can be expedited.

Respectfully submitted,
